What: Opening ceremony of the Nation's first Charter School for Foster Teenagers

When: 9:00am on Wednesday September 9, 2009

Where: 11th and Ludlow in Philadelphia

Democratic Candidate for District Attorney Seth Williams will deliver keynote remarks at the opening of Arise Academy Charter School

Seth Williams, the Democratic Candidate for District Attorney, is proud and honored to be a part of the opening ceremonies of Arise Academy Charter High School. The school is the first in the entire country designed specifically to address the unique and serious needs of teens in foster care. While Mr. Williams was fortunate enough to be adopted by an amazing family in Philadelphia at a young age, he still knows all too well the emotional difficulties these teens face everyday, and that's why he is so pleased to be a part of this momentous day. "The impact that Arise Academy will make in young lives in the city is immeasurable," says Seth, "and I look forward to seeing their happy, well educated and successful graduates in the very near future."
