DISTRICT ATTORNEY

1500 Sansom Street, 4th Floor | Philadelphia, PA 19102 | 1-888-Seth4DA

February 11, 2009

Since I announced my campaign for Philadelphia District Attorney, I have received a lot of advice: “Raise money,” “Go to this neighborhood party,” “Hire that consultant,” “Win that union’s endorsement.”

Some of those things may help, and some may not. But I know there is one thing that can help me win this campaign: the hard work of a dedicated team of volunteers.

Next week, the process of getting on the primary ballot begins. Each candidate needs at least 1,000 signatures to be placed on the ballot, but I know that with your help, we can do much better than that.

I need your help – and the help of other supporters like you – to not only collect the required signatures, but to prove that I have the most support of any other candidate running for District Attorney. I’m dedicated to working hard to earn the signature of every voter in Philadelphia, and I hope I can count on your support.

Starting Thursday, my campaign will hold petition drive trainings on two separate days and in three separate locations. Volunteers will learn how to talk to their family, friends and neighbors about my campaign, and how to get signatures to support me.

If you want to change the way the criminal justice system works and make our City a safer place to live, work and raise your family, please attend a training. Because I know I can’t win without your help.

Below are the details for each of the trainings. Please contact Sheldon Motley at Sheldon@votesethwilliams.com, visit my Web site to volunteer or call my campaign at (888) SETH-4-DA.
