FOR DISTRICT ATTORNEY

A New Day. A New D.A.

Seth Williams is a proven leader with the experience and vision to give Philadelphians the change we deserve.

As an Assistant District Attorney, Seth created the Repeat Offenders Unit to prosecute habitual criminals.

As Inspector General, Seth fought to end corruption and fraud in city government.

As Philadelphia's District Attorney, Seth will reduce crime and more effectively prosecute criminals through community-based prosecution. Creating partnerships between law enforcement, community groups, business leaders, clergy and our 1.5 million neighbors is the key to Seth's vision of an effective D.A.'s Office and a safer city.
