Democratic Nominee for District Attorney Seth Williams Gets Unanimous Endorsement From Philadelphia Fraternal Order of Police

Philadelphia-The Philadelphia Fraternal Order of Police Lodge #5 has endorsed Seth Williams, the Democratic Nominee for District Attorney, in the upcoming November election. The unanimous endorsement comes after an FOP directors meeting on Tuesday night.

“The FOP trusts Mr. Williams and we throw all of our support behind him,” says FOP President John McNesby, “at a time when too many Philadelphians, both police officers and innocent victims, are being gunned down on our streets we need leadership that not only talks about our problems, but actually helps solve them. Seth Williams is that leader. During these dangerous times in Philadelphia he is the only person for the job of District Attorney. After 10 years as an Assistant District Attorney and several years as Inspector General Mr. Williams has the experience to bring real change to the city. As a lifelong resident of Philadelphia, Seth has the passion, knowledge, and understanding of the city to make a difference. “

The list of endorsements for Seth’s campaign continues to grow, along with the FOP, the Philadelphia Council AFL-CIO also endorsed Mr. Williams last week. Since he announced his candidacy last year, Seth has picked up backing from numerous agencies and elected officials including the *Philadelphia Inquirer*, the *Tribune*, ACORN, Philly for Change, Neighborhood Networks, Liberty City, and the Guardian Civic League.
