DISTRICT ATTORNEY

1500 Sansom Street, 4th Floor | Philadelphia, PA 19102 | 1-888-Seth4DA

January 7, 2009

As part of my effort to reach as many voters in as many ways as possible, I have launched Facebook, MySpace, Black Planet, Twitter and YouTube pages to keep my supporters up-to-date and to attract new ones.

These social networking sites will help you to follow my campaign and learn more about my plans for reforming the Office of the District Attorney. So many of you have already used my campaign Web site – www.votesethwilliams.com -- to support my campaign, and I hope you will use my new social networking pages to stay involved – and get your friends involved, too!

To view my social networking pages and interact with me, visit the following links:

We’ll be regularly updating all of these pages and even sending along special opportunities and inside information about my campaign to all who sign up as one of my “friends.”

When I announced my campaign for Philadelphia District Attorney, I invited you to join me in making our communities safe places to live, work and raise our families. I hope that my new social networking pages will help us continue that work and encourage you to share your thoughts on what direction we need to take our city in. Please feel free to reach out, be it a phone call, email or “friend request,” as we take the first step towards making our communities safer.

Sincerely,

Seth
