DISTRICT ATTORNEY

1500 Sansom Street, 4th Floor | Philadelphia, PA 19102 | 1-888-Seth4DA

May 8, 2009

Today, the *Philadelphia Tribune* endorsed me for Philadelphia District Attorney, and I couldn't be more proud. The *Tribune* stood by me in 2005, and I am grateful that they still believe in my vision for our city's future. An endorsement from our country's oldest African-American paper means a lot to me, but their words mean more:

“Williams has the right prosecutorial background, management experience and vision to lead the D.A.'s Office at a time when the city is cash-strapped and struggling to curb gun violence...Democratic voters should choose Seth Williams for District Attorney.”

The *Tribune's* endorsement couldn't come at a more crucial time for my campaign. With only 11 days until Election Day, I need your help now more than ever.

Please consider making a contribution or volunteering your time to my campaign. Campaigns are won by generous donations and hardworking volunteers, which is why I need your help.

If you care about the safety of your neighborhood and loved ones, if you believe that every Philadelphian has a stake in our city's future, please visit www.votesethwilliams.com to donate your time or resources before May 19th. I want to change the way our criminal justice system works and make Philadelphia a safe place to live, work and raise our families...But I can't do it without you at my side.

Thank you again for your continued support!

Sincerely,

Seth
