DISTRICT ATTORNEY

1500 Sansom Street, 4th Floor | Philadelphia, PA 19102 | 1-888-Seth4DA

February 13, 2009

Tomorrow is Valentine's Day – and I can't help but think about my wife and daughters, how much I love them, and how along with the flowers and the candy, a safer city is one of the best presents I can give them this year.

But there are families around Philadelphia who are missing their loved ones this Valentine's Day. Too many of our street corners are filled with balloons and stuffed animals, memorials to young lives snuffed out by the senseless violence in our city.

I'm running for District Attorney because I want a safer city for all of our families. Now more than ever, we need a change in the way we deal with criminals and the means by which we seek justice. With less than 100 days until the election, I'm asking for your help. For all of our loved ones, please consider making a contribution to help me reform the District Attorney's Office.

This Valentine's Day, one of the best gifts you can give is an investment in the future safety of your family.

If you love someone in Philadelphia, please give \$10, \$25, \$50 or more today.

Happy Valentine's Day,

Seth Williams

P.S. Can't give right now? We need your help with petitions, which start Tuesday, February 17th.
